DETAILED ACTION

1. This application has been examined. The claims 1-7, 9, 11-27 are allowed.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance: None of the cited teaches or suggests that the brightness of said back light is set to a first predetermined brightness when said image discriminating signal indicates that said display panel displays a dynamic image and said brightness of said back light is set to a second predetermined brightness when said image discriminating signal indicates that said display panel displays a static image, wherein the first predetermined brightness is greater than the second predetermined brightness; and a display controller which displays a part or whole of a dynamic image in a single color for predetermined period when said image discriminating signal indicates that said display panel displays a dynamic image, and display a static image without inserting a single color when said image discriminating signal indicates that said display panel display a static image as claims 1-7.

Reasons for allowance of claims 9 and 11-27: See previous of Office Action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
